# Foreword

## Summer's here and the holidays are stretching out ahead of you!

Leicester City Council Youth Service summer programme 2015 has the answer. This year it's bigger and better and the activities are still free. We have a range of activities including the usual sporting events, performance arts and crafts, music and dance for all young people to get involved in.

We start our programme with one of the 6 festival events happening across the city on Saturday July 11th from 1pm at Jubilee Square in Leicester city centre; following this you can look at what is going on in your local area every week over the summer holidays.

### Please check out our live information on;

Facebook [www.facebook.com/leicestercity.youthservice](http://www.facebook.com/leicestercity.youthservice) or follow us on Twitter [twitter.com/leicscityyouth](http://twitter.com/leicscityyouth) to find out what will be on each day and for a chance to win a £20 gift voucher!

We have activities for young people between the ages of 13 and 19 or up to 25 if you have a disability. Come rain or shine we hope to see you this summer.
